

# Why Ladybug?

Read what current and past families have to say...

"Ladybug has been a part of our lives and the lives of our children for the past six years. Their commitment to putting the children first has been excellent. We know our children are receiving the best quality care and education. The staff have created close personal relationships with our children that have benefited them greatly."

*-Sarah Vos, Waconia mom of Gavin & Claire*

"We have enjoyed seeing our daughter grow and learn at Ladybug. So much we decided to enroll our son, too!"

*-Mike & Heide Woizeschke, Norwood Family*

"As parents, there is no greater gift than the peace of mind that comes with knowing that your child is in a caring and nurturing environment. Placing our son at Ladybug has been a terrific experience. From water days to theme weeks to playing the old-fashioned family board games, our son has an adventure to look forward to everyday."

*-Stacy Weber, Waconia mom*

"I can't express enough how wonderful Ladybug is. All Ladybug staff, not just my child's teacher, know his name and are friendly towards him. He loves coming to Ladybug and it makes me feel good knowing he receives such excellent care."

*-Alicia Kockler, Carver mom of Kyla & Kolton*

"We have been with Ladybug since our daughter was only 5 months old. In the past six years, we have always felt that our children were well cared for and in an environment that encouraged their development. We would recommend Ladybug to any family looking for a caring, nurturing, and educational environment."

*-Wendy Milligan, Chaska mom of 2*

"In the years since our graduation from Ladybug, we continue to be blessed with the products of the outstanding, nurturing-environment you shower upon your entrusted children of all ages. Our son is an outstanding boy; intelligent and superior in academics, sensitive and strong in relationships and leadership, and is tenacious in sports. We are very thankful to you all for these gifts."

*-Bruce & Jean Koprucki, Chaska parents of Chaska High School Graduated*

"Our children LOVE Ladybug! All of the teachers are so thoughtful and genuinely care about our girls. They miss it when we go away. Our children learn so much. Our 18 month old started counting to Grandma when visiting! She was impressed with my parenting skills and I had to admit I had nothing to do with IL It was all Ladybug. We would highly recommend Ladybug to anyone."

*-Nic & Nicky Simpsons, Chanhassen parents of 2*

"Thank you to you and all the staff at Ladybug. You all have been the glue that held our weekly schedule together. With my wife's schedule as a college instructor changing every semester, your flexibility to add days has been critical."

*-Eric Jax, Chaska dad of preschooler & school-ager*

"We love Ladybug! Our daughter is comfortable and feels right at home. The Ladybug teachers and staff put our minds at ease knowing that she is in safe, capable hands and is happy, having fun and learning from professionals that truly care."

*-Jen & Steve Weaver, Waconia parents of Megan*
