100% Kindergarten Readiness Guarantee

School readiness is defined as having the skills, knowledge, behavior and accomplishments a child should know and be able to do as they enter kindergarten.

We believe so strongly that your child will be ready for kindergarten;

Ladybug presents our
100% Kindergarten Readiness Guarantee.

Using the Creative Curriculum Child GOLD Assessment Tool and the State of Minnesota School Readiness Guidelines, Ladybug guarantees that your child will score 75% over all three domains: language and literacy, mathematical thinking, and personal and social development.

Within those domains, **Ladybug's** curriculum teaches and assesses Social-Emotional, Physical, Language, Cognitive, Literacy, Mathematics, Science and Technology, Social Studies, and the Arts.

If your "bug" scores below 75% overall and is determined not ready for kindergarten using the Creative Curriculum GOLD Assessment and the State of Minnesota School Readiness Guidelines, tuition for the following academic school year (September through May) will be free. *

Eligibility

- Your "bug" must be enrolled fulltime at **Ladybug** by his 3rd birthday.
- Your "bug" must meet State of Minnesota guidelines to begin kindergarten by mid-July conferences.
- Your "bug" will not receive guarantee if he begins testing to begin kindergarten early and fails the testing.
- Your "bug" will not receive guarantee if as parents, you choose to hold him back an extra year, regardless of their readiness.
- Your "bug" may not receive guarantee if he has current Individualized Education Plan (IEP) or Individual Child Care Plan (ICP) which may hinder readiness at kindergarten year.

"Our son's teachers have nurtured him, encouraged him to be himself, and taught him many things. We have no doubt that Ladybug prepared our son for school. Curriculum his teachers developed in preschool and as a supplement during his year in half-day kindergarten was interesting and challenging."
